Heriberto and Pat,

We need to include Cori in communication discussions. The SLP site — <https://www.pca.state.mn.us/waste/st-louis-park-solvent-plume-and-vapor-intrusion-site> — was hers many years ago...WS

Thanks Heriberto and Pat for the discussion today with the cities of St. Louis Park and Edina.

Heriberto, thanks for agreeing to set up communications meeting with the designated staff from the cities, MPCA and EPA. When you set up the first meeting, please include myself, Walker Smith, and Darin Broton from the MPCA. Thanks for your help with this. Call if questions.
